COMPACT & SLEEK

Fits neatly in any corner of your salon or under the workstation. It can even be built into a cupboard.

FAST & EASY TO USE

Simply press on the foot switch and sweep as much hair as you like into the opening at the base of the machine.

HYGIENIC

Quick & Hygienic. Never handle the hair with our extra large filter bags. Also Hairvac has been designed to be practically maintenance free.

HAPPY STAFF

Make cleaning a chore for staff. No bending over with dustpans & more importantly no OH&S issues.

CLEAN SALON

Presentation will keep your clients impressed and bring value to your business.
